Seeking hybrid and remote roles outside IR35

Paid via my limited company

Based in North West London (Swiss Cottage)

I've spent the past 20 years helping clients build strong, clear and consistent visual communications. My work displays a proven track record of inventive and compelling creative work across print and digital mediums.

Developed knowledge of creating HTML hand coded web banners (Greensock) and produced 2D social media animations using After Effects.

KEY ATTRIBUTES AND KNOWLEDGE

- > Craft and prepare artwork including press, POS, OOH, bespoke print, digital OOH, online banners and email in strict adherence to client guidelines.
- > Tailor existing artwork to suit diverse applications and formats, whether resizing for different media or customising designs for distinct and overseas markets
- > A keen eye for detail and a passion for delivering pixel perfect artwork, working in a fast-paced environment
- > Collaborating and building positive, lasting relations with account handling teams and key partners when managing a range of projects simultaneously
- > Pre-press experience, mastery of organising files for print and setting up cutter guides and mastery of die-cutting
- > High proficiency in industry-standard design software including Figma, Photoshop, Indesign, Illustrator, Acrobat, Sketch and MS Office
- > Knowledge of hand-coding and timeline animated HTML banners, CSS Animations and JavaScript (Greensock); view my animations at hegartyanimations.com
- > Produced social media 2D animations using After Effects; view my motion work on my [YouTube channel](#)
- > Independent with good problem-solving skills. Have a proactive approach to identifying and resolving issues which arise in the artworking and production process
